GENERAL SECRETARY.

25 JAN. 1937

SIR,

Re: demolishing the Kollari Venkata Rao's Chattrai
at Kengeri.

Referring to your letter No. 758/Muz. dated the 20th November 1936.

directing that the above building might be handed over to the village Panchayat, subject to the condition of their keeping it in good condition, etc., I have the honor to state that the Deputy Commissioner Bangalore District reports in his letter No. 35. 4221/52-55 dated the 5th January 1937, (copy enclosed) that the building is in a very dilapidated condition, that it is practically impossible to keep it in good repair, that there is no longer any need for maintaining the Chattrai as there is another Chattrai in the village, which is quite convenient for the traveller, and that the Dewan Sahib also during his visit observed that the building might be removed and requests that under the circumstances, the building might be demolished and the materials thereof may be made available for a new building, which is proposed to be constructed at the place.

2. I request that the Dewan Sahib's proposals may be sanctioned.

3. The connected records of the subject are for your reference and kind return.

I am, Sir, very respectfully,

Yours faithfully,

K. V. Anantaraman

(Signature of K. V. Anantaraman)

Letter No. CS. 4294/52-53 dated 5th January 1957 from the Deputy Commissioner, Bangalore District, to the Muzrai Commissioner in Mysore, Bangalore.

Adverting to your letter No. S. 543/53-54 dated 2-12-56 and in view of the instructions of Government that the upkeep of the Muzrai Mankata Rao's Chattram at Kengeri may be entrusted to the village panchayat etc., I have the honour to forward herewith the records received with No. L2-545/36-37 dated 27-12-1956 from the Sub Division Officer, Bangalore stating that the Chattram building is in a very dilapidated condition and that it is practically impossible to keep it in good repair. He has also reported in another connection that there is no longer any need for maintaining this Chattram as there is another Mankata in the village which is quite convenient to travellers, and that the demolition of this Chattram is necessary to improve the locality. I have inspected the building; it is in the last stages of disrepair. It is also reported that during his recent visit to the village, the Dewan observed that this building might be removed.

I concur with the Sub Division Officer in the view that the Chattram may be demolished and the materials thereof may be permitted to be used for the Mankata home which is proposed to be constructed at Kengeri. I request you to kindly obtain early orders of Government on these proposals.
